

PROFESSIONAL DEVELOPMENT

How are you developing capabilities for current and future leaders?

As the world of work rapidly evolves, it is critical to develop key business capabilities for leaders. Studies prove that coaching can yield an average return of almost six times the initial investment.

Meridian offers an innovative outcome-driven solution priced to enable an organization to extend coaching to all levels of leaders within the company. The program supports high-potential employee development, key employee retention, succession planning, and internal career management.

PROGRAM DELIVERABLES

- ▶ Job Profile Development
- ▶ Competency Assessment
- ▶ Individual Optimization Plan
- ▶ Dedicated Coaching
- ▶ Progress Checkpoints

We recognize every business and situation is unique. We serve as a consultative partner to craft a customized coaching solution that meets your organizational needs and budgetary requirements.
